

ENJOY PAPERBOARD BOXES PORTFOLIO

(Re)imagine takeaway food packaging.

Introducing PakMarkt Paperboard Boxes Portfolio

*"Designed for artisans,
nature in mind."*

Deli Cartons

Easy and fast to load, these deli cartons are designed for easy & safe transportation of variety of food items while maintaining their quality. They are easy to store as they come folded and are easily formed thanks to their automatic bottoms. The vented design prevents condensation of hot food and keeps food fresh and crisp.

Chip Scoop

These scoops provide a great way to serve french fries, onion rings, grilled vegetables, alike. Designed with a wide, angled rim, these scoops trays enable staff to easily dose, scoop and serve their contents. They also allow guests to conveniently carry and access the products within the scoop.

Kids Meal Box

Designed to carry full-size children meal, these meal boxes provide a convenient take-out experience for youngsters. They come folded and are easily formed thanks to their automatic bottoms. Colorful safari design illustrations adds fun to kids' eating experience.

Recyclable
Check your local recycling facilities.

Microwave Safe
This item can safely be used in the microwave for food service applications.

COMPOSTABLE

Compostable
It will degrade into organic materials when disposed of with other compostable items in areas where facilities exist.
